'No Parking' Signs Going Up--Fox

Town Talk

By ANNE B. McCLELLAN

Nancy Knapp's wedding to John Huff Saturday afternoon, certainly must have been a lovely affair... we hear she wore her grandmother's ivory satin gown, made in 1893 ...and at the reception Nancy's place in the receiving line was directly under the mantel on which was a picture of her grandmother in the same gown...

Another interesting note...Mrs. Florence Poad, of Wynnewood, an friend of the Knapp family, who played the piano during the reception, played one piece Nancy had composed when she was a little girl ...Nancy's daughter of the Alfred S. Knapp's, of 505 Beechwood Lane, Narberth.

We felt so sorry for the cast of "Poor Henry" at the meeting of the Narberth Piayers Tuesday night... they expected to perform at the begining rather than at the end of the meeting...instead they waited two hours all dressed in costume and everything while the business was conducted...

Incidentally, they were awfully good in their parts...directed by Mrs. E. S. Erickson, the cast included Mrs. John F. Haig, in place of Mrs. C. Arley Farmer; Mrs. Robert Bennett, Mrs. W. Ralph Giles, Mrs. E. Milton Parran and Mrs. Q. A. B. Cornman.

Speaking of the players...pardon us, the players took a new name, the Main Line Playhouse, on Tuesday... slips were passed around so members could record their particular theatrical preferences, whether it be acting, directing, scenery, or etc....we were amused at Mrs. Ells-

Pants Burglars Invade Merion

Jewelry, Money and Perfume Stolen From Four Homes Wednesday

Reappearing for the second time in two weeks, the so-called "pants burglars" who have been plauging Main Line residents rifled four Merion homes, early Wednesday morning. Their booty, this time, included two bottles of expensive perfume, in addition to the money and jewelry which they customarily take.

Their first victims were Mr. and Mrs. Albert E. Price, 501 Latmer Rd. Mr. and Mrs. Price returned home late, after a celebration in honor of Mr. Price's birthday. Shortly after their return, Price wakened and heard a man in the bedroom. Clad in pajamas, he chased the intruder down the stairs and through the lower part of the house. The burglar escaped through a rear door, after dropping two purses containing $38. Price is a jeweler at 710 Sansom St., Philadelphia.

The intruders, apparently working in pairs, were next reported at 509 Latmer Rd., in the home of Abraham J. Becker. Nothing was taken, but the Beckers reported that the house and particularly the bedroom had been ransacked.

At 508 Latmer Rd., home of the Albert E. Shacers, the burglars got $210 from Mr. Shaffer's pockets, $7 from his wife's purse, and $800 worth of jewelry, including a gold wrist watch, a wedding band and a diamond ring which were lying on the dresser.

Max Beinhocker, 510 Latmer Rd., reported that $191 was taken from Mrs. Beinhocker's purse, two bottles of expensive French perfume from her dressing table, and $25 from a purse belonging to their daughter, Julie.

Dr. Oscar Snyder Succumbs at 80

Founder of Osteopathic Hospital lived in Narberth 40 Years

Dr. Ossar John Snyder, beloved by several generations of residents in Narberth, where he lived for more than 40 years, died Tuesday evening at his home, 300 N. Narberth Ave. He had been ill two months.

Founder of the Philadelphia Osteopathic Hospital, the distinguished octogenarian was honored by his friends at a community dinner held February 11, at the Overbrook Golf Club. He was 80 years old on November 17, 1946.

Dr. Snyder was born in St. Louis, Mo., and when he was graduated from the Minnesota State Teachers' College he first headed for a teaching career.

A personal experience, soon after his graduation, led him into the study of osteopathy, and he went on to the Columbian University and the Northern Institute of Osteopathy, in Minneapolis, Minn. In 1899 he began his practice in osteopathy, and the same year founded the Philadelphia College and Hospital of Osteopathy, in offices and classrooms in the Stephen Girard Building, Philadelphia.

He served as president until 1907, and played an active role in the erection of the school's new quarters, at 48th and Spruce Sts. In 1929 the College awarded him an honorary degree of Doctor of Science.

He was a vigorous crusader for higher standards in the practice of osteopathy, and constantly championed the cause of his chosen profession. He himself did much throughout his career to raise the standards within the profession.

Surviving are his wife, Aline; a daughter, Mrs. James L. Beighle, of Penn Valley; two sons, Dr. Joseph C. Snyder, of Philadelphia, and Dr. James A Snyder, Cape May, N. J.; three brothers, Anthony, of Pittsburgh; Ronald, Connecticut, and Philip, Newport, Ky., and a sister, Miss Mamie Snyder, of Muskeoska, Minn.

Husband Takes Blame In Wife's Jewelry Theft

Admits Hounding Blonde For Money, Drinking Since Leaving Army

Twenty-two year old Bernard J. King, of Ardmore, told a Montgomery County jury on Friday that his attractive blonde wife stole jewelry to keep him in funds.

Testifying at the trial of Mrs. Helen King, 20, who pleaded guilty to charges of stealing one thousand dollars worth of rings and pins from a neighbor, the husband took upon himself the entire blame for his wife's trouble.

"I was always on her neck for money and more money," he declared. After I came out of the service I drank heavily, and didn't even look for work. I was living off my wife and the 52-20 Club."

Mrs. King was arrested by Lower Merion Township police last week on a warrant sworn out by a neighbor, Mrs. Marion C. Dougherty, 112 Ardmore Ave., who saw the former model wearing a pin she recognized as one stolen from her. The girl testified in court that she climbed through the window of the Dougherty apartment, took two rings a watch and a pin, which she later sold in New York.

Her recollection of the details of the case was too hazy to satisfy Judge Corson, however, and he remanded the girl to the County Prison until July 11. Reminding the husband that his actions between now and then will have a bearing on the disposition of the case, the Court also directed Detective Joseph Kelly to investigate further to determine whether an unaided woman could have entered the apartment window.

Police said the driver of the car was Robert J. Devine, 23, of Old Lancaster Rd., Berwyn. He was held without bail on a technical manslaughter charge by Justice of the Peace T. A. Hobson at Radnor Police Station.

Oppose Plan to Increase Boro Street Lighting

Council Itself Split On Need for New Light System

A strong protest against a new lighting system, proposed last year for Narberth, was raised Monday night by several residents of the Lantwyn Lane section of the Borough.

Speaking at the regular meeting of the Borough Council, A. M. Amey, of 207 Lantwyn Lane, spokesman for the group, said.

"We feel that the lights at the entrance of the road and the lights on our porches are sufficient. There is no need for any additional lighting. We like the darkness and the lack of bugs. Thre has never been any crime committed on our street due to the lack of lighting."

As evidence of the residents' protests, he presented 22 cards signed by property owners objecting to the proposed changes on the street. There are 23 homes listed there.

Objections were also raised by members of Council. One member wanted to know who in Narberth had asked for additional lights, and said that he felt certain that if asked, many residents would voice similar objections.

"I have lived in Narberth for 20 years without a street light in front of my home shining in my eyes when I sit on the front porch at night, and I certainly don't want one now," Richard L. Miller, Narberth Burgess, stated.

"Why force lights on people who don't want them?" he added.

"The proposed plan would not only act as a safety measure in Borough accident liability, but would aid our police in preventing crime," stated Robert M. Cameron, chairman of the Water, Light and Health Committee of the Council, who is in charge of the plan.

He added, "The lights will not be installed until the new fixtures are available, and when they are installed, they will be of a new type which will not shine in the second floor of homes or on first floor porches either."

First proposed in December, 1946, the plan was submitted by the Philadelphia Electric Co., to improve Narberth's street lighting, and calls for the installation of 107 new lights, brighter than existing lights.

At that time, Cameron stated it was the feeling of Council that greater traffic safety would result from better lighting at intersections as well as on the more heavily traveled streets, such as Haverford, Narberth and Essex Aves., and Wynnewood Rd. New lights would also be installed on smaller streets in Narberth which are not lighted at the present time.

In an effort to determine residents' wishes in the matter, plans for widespread publicity and public hearings were discussed at the Council meeting Monday night. No definite decision was reached.

Annual cost of the new plan to the Borough would be $4,546, an increase of almost 110 percent over present costs.

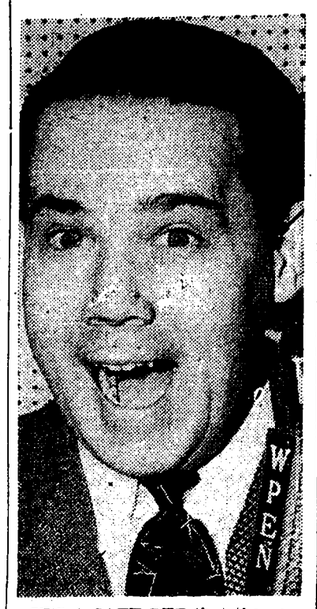

The plan was passed in December by Council with the stipulation that it may be modified by agreement between the company and Council.

REV. GEORGE M. BLACK HONORED BY CHURCH

Services at the Narberth Presbyterian Church were held Sunday in honor of the Rev. George M. Black, Jr., who returned to the pulpit after spending some time as a missionary in Chile. With Mrs. Black, he is now on furlough.

Mr. Black preached at the 11 A. M. service and at an informal evening service showed color films of his work in Chile.

C'MON, KIDS

IT'S A SAFE BET that the enthusiastic expression on the face of Joe Grady, WPEN master of ceremonies, was inspired by the fact that his teen-ager show, "So You Want to Be a Disc Jockey," is going to be a Main Line special from now on. Beginning this Saturday, the show will be broadcast from one of the record and radio shops of Fred Dannenhauer, Jr., 102 Essex Ave., Narberth, or 54th and City Line, Merion.

Rod and Gun Club Has Spring Picnic

Rain Sends Outing Indoors at Narberth Legion Hall

In the 15th annual spring picnic and outing of the Lower Merion Rod and Gun Club held, due to rain, in and on the grounds of the American Legion Hall in Narberth, fishermen and hunters staged two outdoors events between showers last Sunday. In the five-eighths-ounce plug accuracy contest, Field Captain Charles E. Spencer, Jr., of Upper Darby, placed first with a score of 95 out of a possible 100; Ellen A. Dietrich, of Upper Darby, second with 94, and William Spencer, also of Upper Darby, third with 91.

Participating in the Club's first post-war water boing contest, Club President Howell I. Dietrich, Upper Darby, clocked three minutes 45 seconds to win, with Edmund R. Barth, of Upper Darby, and William Spencer placing second and third with four minutes 40 seconds and five minutes 20 seconds, respectively.

Joseph Kiraley, of Narberth, won a novelty all throw for men and Mrs. John A. Miller, Jr., of Narberth, led the women in the same event.

Movies and other entertainment, including games for women and children, were staged between lunch and a buffet supper prepared by Gertrude Spencer and Helen Barth. Assisting the president and field captain on arrangements and program were club treasurer Bob Weisman, John A. Miller, Sr., and Gottlieb Esslinger, all of Narberth, and Rita Spencer and Charles Lucas, of Upper Darby.

The next regular meeting of the Lower Merion Rod and Gun Club will be held in the Legion Hall, Narberth, at 8 P. M., June 18, when club member Walter Groff, of Wynnewood, will show moving pictures.

TUITION FOR BOROUGH

Auditor General G. Harold Wagner last week approved payment of $40,561.51 to 29 school districts in Montgomery County. The sum represents high school tuition for the school year ending July, 1946.

Narberth Borough will receive $6,607.85.

'Disc Jockey' Program to be Broadcast from Dannenhauer's

Fred Dannenhauer, Jr., owner of two Main Line radio and record stores, will sponsor Station WPEN's teen-ager show, "So You Want to Be a Disc Jockey," starting this Saturday.

The show, which runs from 2.30 to 3 P. M. each Saturday, will be broadcast on alternating Saturdays from Dannenhauer's store at 102 Essex Ave., Narberth, and his store at 54th St. and City Line Ave., Merion.

The opening show, this Saturday afternoon, will originate from Dannenhauer's "Musical Garden" next door to his Narberth store. In case of rain, the broadcasters will move inside the store. On June 21, the broadcast will originate from the Merion store.

"So You Want to Be a Disc Jockey" consists of a competition each week among three young aspirants to a disc jockey career. Winners are selected on the basis of mail vote. Master of ceremonies for the show is Joe Grady.

Each week the first prize winner will receive from Dannenhauer an Emerson radio, while the runners-up will each receive a Victor record album of his or her choice. Other thrills for the first prize winner include a dinner for two at Click Restaurant, with Grady as host; an opportunity to be the guest of a big name orchestra leader, and a 15-minute spot as guest "jockey" on Grady's "950 Club" program.

Teen-age listeners can enter the contest each week by writing to Grady, at Station WPEN, Philadelphia 2, Pa.

Editor's Note to Parents: We have an idea that you may be as ignorant as we were as to the definition and duties of a "disc jockey." As we understand it now, after questioning Mr. Dannenhauer and Mr. Grady, a "disc jockey" is a radio announcer on a program of recorded music who gives a brief history, explanation or "build-up" of each song before playing the record. Just to make sure we've got it right, we are going to make it a point to listen in Saturday at 2.30 P. M. and suggest you do the same.

REFUSES MERCHANTS REQUEST THAT ACTION BE POSTPONED; NO MONEY FOR PARKING LOTS

CONTRIBUTIONS FOR JULY 4th FUND

William Howard, chairman of the Fireworks Committee for the Narberth Fourth of July celebration, announced this week that contributions for the display will be accepted by any member of his committee.

A contribution of $2 per family in the Borough has been set as the average household donation.

Contributions may also be mailed or handed to Carl B. Metzger, Jr., treasurer of the committee, at the Narberth National Bank.

Hobson's Appeal To Boro Council Is Futile

A request by the Narberth Business Council to delay action in erecting "no parking" signs on Narberth Ave., was denied Monday night by Borough Council.

Speaking for the business men, Robert Hobson, decorator, asked Borough Council to refrain from placing the signs on the east side of the streets as proposed last month.

"Placing these signs on Narberth Ave.," he said, "will make shopping in Narberth even more difficult than it is now, and will take away a little more of the almost non-existent parking spaces in the Borough.

No Parking Space

"There are no parking spaces in town," Hobson stated, "and we have not been able to reach a definite understanding concerning the purchase of much needed lots.

"There are several lots available in Narberth," he added, "but they are in residential zones."

Walter A. Fox, Council president, stated that the signs were being erected only to facilitate the flow of traffic in the area, and were not being erected to force shoppers away from Narberth.

The suggestion that off-the-street parking lots be purchased by Council was made by Hobson, who was told that Council had no funds available for such purchases.

Suggests Assessment Boost

In answer, Hobson suggested raising the assessments on both business and private properties, and the money raised used to buy vacant lots.

Under present State law, however, it was pointed out, assessments are not made by the Borough, but by assessors designated by the County. In any event, if the assessments were raised, the School Board would get over half of the money raised.

If the lot were purchased privately—by Borough merchants, for example—the Borough could not appropriate any money toward the purchase unless the lot were deeded to the Borough.

Petition Planned

Hobson told the Council that the Business Council was preparing a petition for circulation among property owners and businessmen objecting to the erection of the signs.

"The petition is not yet ready for presentation," Hobson said, "but when it is, we will present it to you as a record of our objections."

Fox stated that although Council did not want to work any hardship on the businessmen, the signs would be erected when they were received.

Delivery has been promised within 10 days.

E. H. Snow Given Service Award at Ardmore Jr. High

238 Students Take Part in 24th Annual Graduating Exercises

An unexpected presentation of a distinguished service certificate to Edward H. Snow, principal of the Ardmore Junior High School, was the highlight of graduating ceremonies held at the school Tuesday night.

The presentation was made by Henry Harmon, commander of Bullock-Sanderson Post, American Legion, Ardmore.

Harmon explained it was awarded for service to the community, cooperation in the local veterans' center, participation in the Memorial Day observance and service to the Ardmore American Legion post.

A class of 238 ninth grade students participated in the 24th annual graduating exercises of the school.

The program included selections by the school orchestra, choral reading, welcoming address by Jean Schaefer, president of the School Senate, selections by the School choir, and the annual spoon and chain ceremony by William Usher, Joan Hutton, Florence Parker, and John Redfern.

The class gift to the school, a $1,000 war bond and three $100 bonds to be placed in a fund for a suitable war memorial, and $275 for an oil painting of Edward H. Snow, principal, was presented by William Usher, president of the school.

The following awards were presented during the program:

9 Boro Streets To Be Repaired

The second step in the road resurfacing program of Narberth Borough Council will be undertaken this summer, according to a report made Monday night by William S. Thompson, chairman of the Council Highway committee.

The first step, completed last summer, included resurfacing four streets throughout the Borough.

Streets to be repaired this summer include:

Iona Ave., from Haverford Ave., to Woodbine Ave.; Hampden Ave., from Haverford Rd., to the end of the paved section; Shirley Rd., and Shirley Cirle; Berkley and Beechwood Rds.; Sabine Ave., from Wynnewood Rd., to Montgomery Ave; Narberth Ave., from Montgomery Ave., to the Pennsylvania Railroad, and Grove Place.

Bids for the work will be opened at the Council meeting July 14.

EVENING MEETING CHURCH WOMEN PLAN

The Women's Guild of the Narberth Presbyterian Church will meet next Thursday at 8 P. M. at the church.

The hostesses will include members of the three evening circles, with Mrs. William Brown in charge.

The Rev. Horace Fenton, of Plainfield, N. J., former assistant pastor of the Ardmore Presbyterian Church, will speak on "Our Responsibility in Sending Young People to Conferences."

Mrs. Ester Stevenson will be in charge of the devotional period, with scripture readings by the children. A solo will be presented by Margaret Robb, and there will also be a trio presentation by Jean Graham, Gail Brown and Priscilla Stevenson.

RELIEF SUGGESTED FOR TRAFFIC PROBLEMS CAUSED BY DETOUR

Traffic problems in Narberth have increased almost daily since the start of repairs on Wynnewood Rd., almost four months ago.

In an effort to relieve these conditions, Robert M. Cameron, chairman of a special Borough Council committee on traffic and parking, Monday night recommended the following steps:

1. Erection of stop signs on Maple and Essex Aves. at their intersection with Woodside Ave.

2. Establishment of a "no parking" zone on the east side of south Narberth Ave., from the railroad bridge to Woodside Ave.

3. Erection of stop signs at the intersection of Haverford and Narberth Aves., with Haverford Ave., the through street.

Cameron suggested that the Public Safety Committee make these recommendations effective as soon as possible and keep them in effect only until the detour is removed.

Tiff, Smoke, Odors, Garbage, Apartment Manager Has Woes

There's an old saying, "troubles never come singly,' 'and the manager of the Montgomery Court Apartments in Narberth probably won't deny it.

Several months ago he had a slight tiff with the fire marshall. Later on it was a petition signed by nearby residents complaining about smoke and objectionable odors emanating from the incinerators, and now it's trouble with garbage collections.

Joseph Weinstaub, manager of the apartment, has requested the Borough to help out with the garbage collection during the summer months due to a greater quantity at this time of year.

But Weinstaub is out of luck because of a promise made at the time the building was being erected.

At that time, the Borough was assured that it would not be asked to assume any cost or responsibility for the removal of garbage or inflammable materials from the buildings.

There is also the fact that the Borough's contract with the garbage collector specifically excepts collection from this and other large apartment buildings in the Borough.

However, in an attempt to help out, the Council left Weinstaub with this thought:

The Borough has no objection to his making an arrangement with Charles B. Seal and entering into a private contract with him for the collection of the Montgomery Court garbage, so long as such work does not conflict or interfere with Seal's regular collections for the Borough.

Jeanne Harper Trois Fontaines, of Hyde-Heath, Amersham, Bucks, England, noted authority on dogs who is in this country to act as a judge at this and two other shows.

CHOOSING A CAREER

Secretary-Translators Are Needed

By FRANCIS M. BOTELHO, PhD
Director, Dr. Botelho School, Philadelphia

Everybody knows that there is a constant demand for good stenographers, but not enough young people realize how much more interesting and remunerative positions they can obtain by adding to their earning qualifications the ability to translate commercial correspondence, particularly Spanish.

For years, I have been training men and women for this field and many of them hold executive positions today in Philadelphia and elsewhere. Fluency with a few stereotyped expressions of a conversational order is far short of the requirements. It is necessary to have thorough grounding in grammar and flexibility in sentence structure, as well as familiarity with export-import expressions and terminology.

None of these important phases are taught intensively in general language courses. At my school we emphasize those factors and in a manner so that students really understand and become proficient.

Manufacturing concerns are now receiving letters from all the Spanish-speaking countries in an ever-increasing volume, as proven by the tremendous heaps of material that reach my public translation office every morning.

I strongly urge ambitious high school and college graduates to aim at being efficient Secretary-Translators. The salary is above average and promotion is more rapid. Naturally, proficiency in shorthand and typing is a pre-requisite and to help our students to become employed quickly we specialize in rapid courses in these two popular subjects.

AWVS Continue Services Here

The Country Store of the American Women's Voluntary Services 5 Montgomery Ave., Bala-Cynwyd continuing the work it did for the community during the war, is raising funds for State hospitals and institutions.

Directed by Miss Agnes Range, the Country Store is reminding localities that "there's gold in your attic!" and helping them reclaim it. Chairs, vases, anything excepting clothing and books, is appraised by experts, and then sold at the appraisal price. Seventy-five percent goes to the owner; the other twenty-five vercent helvs the AWVS to continue to share in the nationwide reconstruction program.

The Bala-Cynwyd AWVS is committed to aiding five hospitals in the area. They include Norristown, Valley Forge, Philadelphia General, Baby's Hospital and the Overbrook School for the Blind.

This Friday evening they will take a party and entertainment to the Valley Forge General Hospital. Featured will be a quartet from the Main Line Civic Opera Company, composed of Andrei Kristopher, Charles Gray, Jack Paddock and Hugh Martin. Experienced artists, the group has sung before many local service clubs and civic organizations.

During the war, the AWVS was engaged in transport work. Today they do therapeutic work in the mental hospitals, transport the blind to classes, read to them, write letters—all the small routine which makes the difference between the contented patient and the dissatisfied and unhappy one.

The bride, who was given in marriage by her father, wore an ivory satin gown, fashioned with an off-the-shoulder neckline, long sleeves and a full skirt ending in a train. Her finger-tip length veil was caught with a circlet of gardenias and she carried a bouquet of gardenias and stephanotis, centered with a white orchid.

ARDMORE WILL OPPOSE BERWYN SATURDAY; MANOA AT W. CHESTER

By HARRY ELLSWORTH

After a week-end of enforced idleness because of the heavy rain, the Main Line Baseball League resumes activity with a full card of games this Saturday and Sunday.

Narberth, defending champion and current leader inthe Eastern Division, enjoys a relatively easy week-end, meeting Collegeville's last-place Superiors in a Sunday game at Narberth. The Davismen are idle on Saturday.

Berwyn, top team in the Western Division, is slated for a full week-end of activity. On Saturday, the Pirates visit Ardmore to take on Al Mupeller and Eddie Hare and their Ardmore Lions. Ted Dawson (2-C) will probably oppose Clem Bevan on the mound.

West Manayunk offers the opposition at Berwyn on Sunday afternoon. The Firemen are one of the hardest hitting outfits in the league, and, supported by good pitching, are mighty hard to beat.

The Yunkers play host to Collegeville on the West Manayunk field, Saturday. The Superiors won the opening league contest but have lost their last four starts. Joe Robinson, lone winner on the Collegeville staff, will probably hurl against Frank Petrellis or Harry Blair.

Other Saturday contests include Gladwyne's visit to Norristown and Manoa's trip to West Chester. Drexel Hill, currently in second place in the Eastern Division, will meet the Western second-placer, Wayne, at Wayne. Manager Joe Irvin will probably throw lefty Jack Creany against Wayne's Harry Dessert.

In addition to the West Manayunk-Berwyn and Narberth-Collegeville games on Sunday, Norristown, with Jim Swartz pitching, will play Drexel Hill at Township Line and Burmont Rds. Wayne will be at Veterans' Field to play Manoa and West Chester invades the spacious Ardmore diamond to play the Lions.

The heavy week-end rains caused complete schedule washouts on both Saturday and Sunday. These games will not be made up, as they are erased from the league slate.

Ardmore announced the release of Larry Aigeldinger, shortstop, and Timmie Falcone, catcher. Both men asked the Lion management for the release.

Slender Jack Williams, Drexel Hill's likeable first baseman, is setting a torrid pace in the Main Line Baseball League, according to the latest official league figures.

Williams, who was one of the top hitters in the league last year, has collected 14 hits in 21 times at bat for a sizzling average of .667. Included in this array are four doubles, a triple and a home run.

Runnerup spot is held down by Norm Kline, Berwyn's flashy shortstop. Kline has 11 for 21 for an average of .524.

George Davidson, Narberth's great fast-baller, tops all hurlers with three wins and no defeats. Davidson also has chalked up 19 strikeouts to lead the league in that department. The big right-hander has accounted for three of Narberth's four wins.

Ted Dawson, of Berwyn, has registered two wins against no defeats to rate the second spot behind Davidson in pitching.

The league figures follow:

St. Margarets In Montdel Lead

West Manayunk Team Lands In Cellar Of League

If the last inning could be eliminated from its games the St. Lucy club would probably be right in the thick of the Montdel League pennant scramble. As it is, the West Manayunk team is in the loop cellar with a record of one victory in five starts, due entirely to the fact that the club could not hold on to early leads.

The Yunkers dropped a 9-5 decision to St. Lawrence, of Highland Park, on the home lot last Monday, and it was the last inning which did the trick this time as it had earlier in a game with the league-leading St. Margaret's club. In this last session the winners shoved over four runs, three of them coming on a home run by Jim McCabe.

This was one of four games played in the circuit during the week. In another Monday contest Good Counsel continued its unbeaten pace when it handed St. Philomena's a 4-1 setback on the losers' field at Lansdowne High. Tuesday night Good Counsel returned to its home field at Bryn Mawr to hand St. Colman's, of Ardmore, an 11-2 lacing in a replay of a previous tie. On Wednesday night St. Colman's nosed out St. Thomas, of Villanova, at the Ardmore field.

L. Merion High Girl Wins Golf Tourney

Nancy Slaw, Lower Merion High sophomore, sandwiched in a golf round between a geometry examination Friday to triumph in the Powell Cup's complicated tournament at Plymouth Country Club.

The 15-year-old Nancy, who lives in Cynwyd, paired with George Cordonna, 1942 Philadelphia interscholastic champion, to post an 81 and point score of 50 under the intricate system. Nancy was runnerup to Suzanne Cooney, of Old York Road, in the Philadelphia girls' golf championship last year.

Low gross honors were won by a Llanerch Country Club combination, Mrs. Dorothy Germain and George Rowbotham. They fired a combined score of 78.

Charley O'Malley, Villanova catcher from Boston, topped the Wildcat hitters with a .583 average. Pitcher Bob Green, his ex-Boston English High battery mate, finished

Yunan-Slook's Ninth In Row

The Nunan-Slook Post No. 338, of Oakmont, continued to set a blistering pace in the Eastern Delaware County American Legion League as baseball activity was renewed following the holiday layoff. In all, the Oakmonters have won nine straight.

Nunan-Slook tumped Lansdowne, 10-4, on Tuesday night and upset Glenolden on the foreign field by 6-5 the following evening. R. Williams, of Glenolden, hit a home run with two mates aboard as the homesters scored three runs in the first inning.

Earlier, the Haverford Township team had scored four runs in the same session when Jones hit a triple, Foley was hit by a pitched ball and Plantz walked. Keehn's single scored two runs and Turner tripled to tally as many more.

AAU CROWN WON BY P. WHITE

Pete White, Haverford School track star and Interacademic League individual champion, captured the 220-yard low hurdles in 28.1 seconds in the first Middle Atlantic AAU Junior track and field meet at Reading on Saturday.

VESTGATE TO BATTLE LANCASTER SUNDAY

Lancaster's Letort A. A., 1946 winners of the Lancaster City-County League, will visit Westgate Hills to meet the All-Stars this Sunday, June 15, at 2.15 P. M.

Last Sunday's game, which was to have been played at Lancaster, was called off because of rain and a return game will be played there August 24.

Accompanying the Lancaster team this Sunday will be 250 followers. They are anxious to watch Charley Shriner, their fast ball pitcher and no-hit artist, in action.

The Westgaters, with a record of 79 victories against nine defeats during the past three years, will pit their ace southpaw pitcher, Jack Walsh, against Lancaster. Al Winokur, manager of the localites, will start the same array that has shown the residents of Haverford Township some snappy softball in the past.

Bill Smith, Villanova baseball star who just finished his final season, expects to enter organized ranks this Summer. Smith, who has several bids, can't decide whether to concentrate on pitching or outfield play. He is a former Haverford High athlete.

Penn Wynne 33 Wins Inaugural

The defending champion, Penn Wynne 33, opened its season by defeating Penn Wynne 155, 11-3, Thursday. Pitcher Paul McAlaine allowed only one hit, a solid triple by opposing pitcher Fred Minehan.

The latter, given poor support by his outfield, turned in a very creditable pitching job against Penn Wynne 33's experienced hitters. Greenleese and Lyons hit home runs for the winners, with Goldbeck collecting two triples and Russell one.

After trailing, 9?7, Merion 29 rallied in the last inning to win over Narberth, 11-9. Dick Fitzgerald, of Merion, hit two singles, a double and triple and the McMillan brothers each collected three hits. For Narberth 212, Barclay was the leading batter with three hits.

Ardmore 74 just had too many guns and easily sank Ardmore 36 in the game between those two local rivals as 74 ran up 23 runs on 22 hits. Jack Barr, of the Lower Merion athletic family, had "five for five" and Eidenberg had four hits in five times up.

YOUR APPOINTMENT WITH Safety!

Summertime is driving time. Make driving time a pleasure. Eliminate the chance of a traffic accident because of mechanical failure of your car. Know that your car is safe to drive—if *you* drive it safely. Get your car officially inspected.

Checking your car's brakes... headlights... tires... and steering gear and making certain they are in good condition—is added safety insurance for you and your family. Why? Pennsylvania's record proves it. While the national figure for fatal traffic accidents due to mechanical failure of cars is 18%—in Pennsylvania it is only 4%.

Make that appointment with safety—today!

CARS MUST BE INSPECTED BY JULY 31, 1947.
There will be no extension of this period.
You will not be allowed to drive after this date unless you have an official inspection sticker.

CAR INSPECTION IS A MUST TO SAVE CARS... TO SAVE LIVES

David W. Harris, Secretary of Revenue
